Proposed Rule Making - 10-242 Communicable and Non communicable Diseases

The proposed rulemaking addresses much needed amendments to existing regulations at relating communicable and noncommunicable diseases. Comprehensive amendments to the regulations are needed to expand the list of reportable diseases, infections and conditions, to address changing standards and recommendations from experts, such as the CDC and the AAP, and to ensure the overall public health and safety by reducing the risk and spread of diseases, infections and conditions. These ammendments to PA's Health Regulationsis in the best intrest of all citizens of PA

ISTRONGLY SUPPORT THE ENACTMENT OF THESE MUCH NEED REVISIONS T5O THE HEALTH DEPARTMENT REGULATIONS.
